## ABOUT ME

As an enthusiastic Information Systems major at Prima Indonesia University, I'm eager to join your internship program to gain hands-on experience. With skills in programming, graphic design, and data analysis, I'm ready to contribute effectively to your dynamic projects. I'm excited about expanding my industry insights and network, and I'm prepared to learn from mentors and peers. With a strong academic background and motivation, I'm poised to make a meaningful impact on your team's success.

Sincerely,  
Diasta Natanael Sembiring
